

Limited Editions Promise Unlimited Delight at Salon des Grandes Complications Show Abu Dhabi edition 25-29 October- ADNEC.

In the wake of the successful editions of Salon des Grandes Complications in Saudi Arabia, curtain will now go up on the 7th edition at Abu Dhabi. Scheduled from 25 to 29 October at Abu Dhabi National Exhibition Centre, ADNEC, the event will feature an impressive line-up of the world's most reputable and respected horological brands and showcase exceptional limited editions from traditional *maisons*.

Panerai men's luxury watches represent the perfect blend of Italian design and Swiss technology. Panerai will specially focus on the highlight of the year - Luminor Due 38mm. The model comes in a new range of colors and materials with stainless steel or red gold case.

Ateliers Louis Moinet, named after the inventor of the chronograph will present its limited edition timepieces. Louis Moinet creations often make use of unusual materials, such as fossils and meteorites, combined with bespoke fine watchmaking complications in a unique creative approach.

Krayon, a movement-design engineering studio based in Neuchatel, will display Everywhere Horizon, the first mechanical watch ever, able to calculate sunrise and sunset times everywhere on the globe. It has never been displayed in a public exhibition anywhere in the world.

The Cyrus Klepcys Alarm and the Cyrus Klepcys Vertical Tourbillon were major attractions at Baselworld 2018 and are appearing for the first time in the region. Swiss watchmaker Kerbedanz will highlight Maximus, the world's largest tourbillon on a wristwatch case. The Edition incorporates a giant center flying tourbillon, with power reserve indicator and a hand-wound mechanical movement, housed in a titanium or rose gold case.

Exhibiting for the first time in the Middle East, Swiss luxury watch brand Schwarz Etienne will be showcasing their inventions for the finest connoisseurs in the Gulf. On show will be The La Chaux-de-Fonds Tourbillon with retrograde seconds indication that was introduced at Baselworld 2017; Manufacture Roma, an expression of classic watchmaking with a modular in-house movement concept available in a variety of styles and case materials; the Roswell collection inspired by the American Roswell UFO mystery with the unique 'irreversible' movement design and rounded, dynamic case evoking a flying saucer.

S.T. Dupont is a 144 year-old visionary French company with the *savoir-faire* to craft objects of desire, coveted by the elite. S.T. Dupont stand will be dedicated to launching 14

Haute Creation collections, which epitomize technical perfection joining hands with aesthetic excellence. A noteworthy presence at the stand will be the master gemologist Luis Alberto Quispe Aparicio.

SDGC 2018 Abu Dhabi edition is brought to you in partnership with Bentley Motors. Matching the prestige and exclusivity of the premium *Grandes Complications Horlogerie* Exhibition in the Middle East, Bentley Motors will be making its emphatic presence at this year's *Salon des Grandes Complications Abu Dhabi*. Bentley is synonymous with the finest luxury performance cars in the world and will be celebrating its centenary year in 2019. Founded by Walter Owen Bentley in 1919 "To build a fast car, a good car, and the best in its class." The company continues to be 'endowed with tradition and inspired by the future'. True to its timeless heritage Bentley offers, in addition to its prized range of premium cars, a specialized collection of men's accessories and, over and above these, a selection of the most exquisite horological masterpieces.

The SDGC 2018 is proud to be held under the support of the Embassy of Switzerland in the United Arab Emirates and Bahrain.
